- (c) ☐ A reply was received on ____ but it does not constitute a proper reply, or a bona fide attempt at a proper reply, to the non-final rejection. See 37 CFR 1.85(a) and 1.111. (See explanation in box 7 below).

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Applicant's request for withdrawal of Appeal filed on 3/26/09 due to filing of a Continuation Application on the same day (US Application No. 12/411500) is taken to be a request for express abandonment in accordance with MPEP 1250.01, which states in part: Except in those instances where a withdrawal of an appeal would result in abandonment of an application, an attorney not of record in an application or reexamination proceeding may file a paper under 37 CFR 1.34* withdrawing an appeal. In instances where no allowable claims appear in an application, the withdrawal of an appeal is in fact an express abandonment that does not comply with 37 CFR 1.138 except where a continuing application is being filed on the same date.
